SELECTED WORK EXPERIENCE

Essentia Health | Duluth First Street Clinic **June 2017 – Present**
Acupuncturist | Team Leader *Duluth, MN*

- Essentia Health is a 14 hospital and 77 clinic integrated, non-profit healthcare system serving Minnesota, Wisconsin, & North Dakota.
- As the lead acupuncturist, I maintained administrative involvement in the ongoing development of a multi-site acupuncture program, participated in hiring and mentorship of acupuncturists across sites, treated 40 patients weekly, & documented using Epic EHR.
    - Alongside leadership and Joint Commission experts, I contributed to the first policy and procedure documents for fire cupping in a US healthcare organization.
    - Through coordinated efforts between pharmacy and integrative medicine leadership I designed the first herbal pharmacy for the Essentia Health organization.
    - I was the preceptor for Duluth Family Residency Program physicians and new acupuncturists, hosted monthly team meetings, observed and audited clinical visits and documentation of acupuncturists.
    - I lectured on acupuncture-related topics at numerous grand rounds and departmental meetings.
    - Clinical techniques I used include acupuncture, dry needling, fire cupping, *guasha*, & *tuina*.

Cloud Mountain Analects, LLC **September 2015 – Present**
Owner | Instructor *Superior, WI*

- I developed seminars for clinicians and laypersons in Chinese sports medicine, *yangsheng*, *tuina*, *qigong*, a mindfulness-based method of fly fishing called *tenkara dzuri*, and mindfulness-based Chinese tea ceremony.
- I offered traveling acupuncture care for procreative management and sports injury patients.

Modern Point Acupuncture & Sports Medicine **September 2015 – February 2017**
Acupuncturist *Maple Grove, MN*

- I diagnosed and treated ~16 patients daily using integrative Chinese Medicine and sports medicine principles.
- The modalities I used included acupuncture (manual and electrical), dry needling, *tuina*, cupping, *guasha*, and rehabilitative and pre-habilitative Chinese exercise therapy.

Whole Body Balance **March 2014 – April 2015**
Massage Therapist *Boulder, CO*

- I assessed soft-tissue imbalances in athletes, created and executed goal-based treatment plans using sports, neuromuscular, myofascial, and relaxation-based modalities.

Chautauqua Health **January 2014 – April 2015**
Herbal Pharmacist *Boulder, CO*

- I manually filled custom raw & granule herbal formulas for resident acupuncturists and naturopathic physicians.

Windhorse Community Services **August 2012 – August 2014**
Therapeutic Housemate *Boulder, CO*

- As the only live-in member of a multidisciplinary Buddhist behavioral healthcare team, I taught mindfulness-based living and social strategies for a client with severe psycho-emotional diagnoses.

Pause…The Spa **October 2011 – June 2012**
Lead Massage Therapist *Boulder, CO*

- I offered massage therapy, completed SOAP notes, and was liaison between leadership and team members.

SELECTED EDUCATION

Pacific College of Health and Science **2020 to 2022**
Clinical Doctorate *San Diego, CA*
- Training in evidence-informed practice, integrative diagnostics, interprofessional communication, integrative case management, healthcare systems studies, & advanced pain management strategies.
